

# MUSIC

## MUSIC

### OVERVIEW

**PROGRAM INFORMATION:** The two-year curriculum in music leads to an Associate in Arts Degree and helps prepare the graduate to pursue a degree in music at an institution of higher education. Students should consult with their Advisor regarding the field-of-study curriculum. If a student elects not to follow the recommended sequence, a counselor will help the student select courses needed to reach his or her educational goals.

### CAREER OUTLOOK

### DEGREE/CERTIFICATE

| CONCENTRATION OPTIONS | DEGREE / CERTIFICATE TYPE | DEGREE PLANS                     |
|-----------------------|---------------------------|----------------------------------|
| Music                 | Associate of Art          | <a href="#">View Degree Plan</a> |
